

Year 1 Summer Project

Hello future Year 1s! Mrs Khan here! I hope you're all taking good care of yourselves and are looking forward to getting back to school in the Autumn- I know I am!

For your Summer project, I would like you to create a four season tree craft that represents the whole year!

The four seasons are Autumn, Winter, Spring and Summer. Find out a little about each season and then get creating! You can create your season trees however you would like and use any materials you like such as:

Rice, lentils, seeds, paint, crayon, card, leaves, toilet roll, card, twigs, buttons... anything really! 😊

Here are a few examples:

There will be prizes for the most creative! Have fun and I shall see you in the Autumn term!
