

Summer Holiday Project

Starting Year 3 in September 2020

Hello everyone! Before you start year 3 I would like to find out everything about you and what you like to do.

I would like you to create a Summer Booklet that tells us all about you, Use the guide below to help you structure your booklet. Try to include lots of pictures and sentences to tell us all about you and to show us what you have been up to over the summer holidays. You can of course add more or less pages if you would like to, or even create your own version.

Guide

- **Front cover:** Draw a picture of yourself and write your name and your birthday.
- **Page 1:** Draw a picture of who is in your family. If you have any pets draw them too.
- **Page 2:** Draw and write about all your friends.
- **Page 3:** Draw and write about some of the activities you have been doing during the summer holidays.
- **Page 4:** What are your favourite things? Food, colour, TV show, games etc.
- **Page 5:** Write a diary about your most memorable day during the summer holidays.
- **Page 6:** Lastly, write some descriptive sentences about a favourite place you have been to during your time at home. Use adjectives to describe what you saw.

If you are struggling to think of a place you can write descriptive sentences of this picture of the beach.

When you start year 3 we will be sharing some of the information in your booklet with the rest of the class. So please make sure you do them. There are also prizes for the best booklet!

We miss you all and hope you are continuing to stay safe and well. Enjoy your summer holidays, I'm looking forward to teaching you all in Year 3 next year.

Have fun until then, see you soon!
