Discussion Points

- Organise an assembly and resources/activities for Earth Day (Wednesday 22nd April 2026)
- Snacks at break time – they are allowed as long as they're healthy. Team to make posters to remind pupils, plus information out to parents
- Recycling from each class needs to go to the recycling bin at the end of each day. Song Cao to collect each Eco Warrior from their classrooms at the end of the day and take recycling down together
- Everyone in school needs to know how to save energy – team to create energy-saving signs to put around school
- It would be good to have some books in the library about planet Earth and how to look after our environment, and books on how to be eco-friendly
- Create a book or poster that provides guidance to pupils on how to be eco-friendly in class
